Enrollment May Set Nat'l Mark

Construction Underway On Washeteria

Construction is presently underway on a new student self-service washeteria to be located on Dogwood Drive across from the Maintenance Service building. This new service building will contain both washers and dryers, and will be completed within the next month.

Laundry facilities which were formerly located in both men's and women's dormitories will no longer be available due to the convenient location of this new addition.

The new washeteria will be operated as a unit of the College Heights Foundation according to Mr. A. J. Thurman, director.

Chapel Assembly Welcomes Frosh And New Faculty

Van Meter Auditorium was filled to capacity as it welcomed the bright faces of approximately 1500 freshman and thirty-three new faculty members to the first chapel assembly of the fall semester, Wednesday morning, September 20.

Opening prayer was led by Robert Cochran, director of public relations. President Kelly Thompson commended the freshman for an outstanding spirit during registration and for helping keep the campus one of the cleanest in the South. Mr. Edward Knob of the music department led the assembly.

Deserved Honor

Board Of Regents Name New Science Building For President Kelly Thompson

Western's new \$1,300,000 science building, the Kelly Thompson Science Hall, is now completed, and classes and laboratory sessions are meeting for the first time this fall.

In a history-making meeting the 8th of August, the Western Kentucky State College board of regents named the new science building for Dr. Kelly Thompson, president of Western.

Thompson Hall, a block long steel reinforced concrete and brick structure, containing three floors and almost 75,000 square feet of floor space. The building is one hundred per cent air conditioned and is of the most modern design.

The new building houses the Biology, Physics, and Chemistry departments in their entirety. Each of the separate departments has its own floor with the Physics being located on the first floor and the Biology and Chemistry in the same order located above. The

TV Offered By Western ... For College Credit

Western, in cooperation with CBS and WLAC-TV, and NBC and WMS-TV, will offer television college classes in biology and American government beginning September 25.

Biology 101, the New Biology, will be offered on Channel 5 each day from 6-6:30 a. m. The course will stress the latest developments in the field as well as basic principles and subject matter. Students enrolling for this course will be required to attend laboratory sessions every two weeks on the Western Campus. These sessions will begin at 8 a. m. Saturday, October 7.

Government 198, American Government, will be broadcast by Channel 4 from 6:30 - 7 a. m. Monday through Friday beginning September 25. The 160 half-hour

telecasts will parallel the college year.

The course will continue through two semesters of 16 weeks each. There will be five lectures each week usually including one distinguished guest. During the first semester, major attention will be given to the theory, politics, and constitutional foundation of our national, state, and local governments. The second semester will focus on the structure, problems, and policies of American Government. Wherever appropriate, graphic materials, diagrams, charts, films, and photographs will be used to illustrate and illuminate the discussion.

Both of these courses carry college credit of three semester

THOMPSON HALL ... Western's new \$1,300,000 air conditioned science building, which is located on Ogden campus facing 14th St., has been named for President Kelly Thompson by the Board of Regents. Thompson Hall is Western's newest classroom building and houses the chemistry, physics, and biology departments.

New Department Opens Two New Fields Of Study

With Western's newest department of business and government moving into Western's oldest building, two new fields of study are now open to present and future Western students.

Dr. William Jenkins is head of the new department which has just moved into the recently renovated Ogden Hall.

The new department will provide a liberal arts leadership-ed-

ucation program in areas of business and government. Special emphasis will be placed on the training of young people for leadership in small business and for careers in local, state, and federal governments.

The program will provide a Bachelor of Arts degree in business or government with a broad background in liberal arts.

Students who are beginning freshmen and sophomores this fall are now eligible to complete majors in business or government. Students who are juniors for the fall term will be eligible to complete a minor in the department.

Within the new department will

Yes, Trade School Is Filled To Capacity Also

Western Area Vocational School began its 22nd year on September 5 with most shops filled to capacity. Total daily enrollment is 250 students and evening extension programs in surrounding towns have an enrollment of about 60 students.

One new room has been added to expand the classes in electricity.

The electronic circuits class is beginning the new term with \$21,000 worth of new electronic equipment. Most of the funds for the new equipment was received through the National Defense Education Act.

Full time courses taught by the school include Auto Mechanics, Engineering Drawing, Electricity, Electronic Circuits, Machine Shop, Office Machine Repair, Practical Nurse Training, Refrigeration and Air Conditioning, Tool and Die Making, and Woodworking.

New students may enroll anytime that a vacancy exists in the shop.

Increase Over Year Ago Tops Thirty Percent

A record increase in enrollment, which percentage-wise is expected to be one of the highest in the nation, was announced today by Registrar Dero Downing.

Figures released by the Registrar following the close of registration at 4:30 P. M. yesterday afternoon show a 33.1 per cent increase in enrollment over a year ago, with an all-time record total of 4792 regularly enrolled college students.

This marks the second time in two years that the enrollment increase at Western has reached a spectacular figure. Last year the enrollment increased 23.4 per cent over the preceding year, when it jumped from 2,117 to 3,599. Western's enrollment has grown steadily since 1955 and has more than doubled since the 1957-58 school year.

Dr. Kelly Thompson, President of Western, in commenting on the huge increase, praised the Western faculty and staff for "the calm and efficient manner in which they had adjusted to the student avalanche of the new semester." He stated that housing, feeding, library, and classroom facilities had been severely taxed, but that adjustments had been made with a minimum of confusion and extremely high degree of efficiency.

He stated that one of the most graphic illustrations of the population change at Western could be noted in the regular chapel assemblies. Van Meter Auditorium, where for decades regular College assemblies have been held for the entire student body, now will accommodate only the freshmen.

Western's Efficient Landscape Lady, Mrs. Garrett, Dies

Mrs. Virginia Ellis Garrett, 62, widow of Dr. Paul L. Garrett, late president of Western died August 24 at the City-County Hospital.

Mrs. Garrett had been serving Western in the capacity of landscape architect. To her is credited the beautification project which may be seen on campus.

A native of Henry County, Mrs. Garrett was the daughter of the late Harvey and Antoinette Ryland Ellis. She was educated in New Castle city schools and later attended Hamilton College at Lexington.

She was married to Dr. Garrett in June 1921 at Eminence. They came to Bowling Green in 1937 when he accepted the presidency of Western.

She was a director of the Bowling Green Garden Club; chairman of judges of the American Daffodil Society; a member of the Samuel Davies Chapter of the Daughters of the American Revolution; a member of the XX Club and Kentucky Ornithological Society.

Survivors include two sons, Paul Ellis Garrett, McLean, Va., and Ryland Gray Garrett, South Fort Mitchell, and three grandchildren.

Western Players Launch 15th Consecutive Season

Western Players formally opened their 15th consecutive season with an open house and reception on Wednesday night, September 20 in the Memorial Room of the Student Union Building.

Larry Siria, program coordinator, opened the program and introduced David Williams and Jean Brannum. Williams and Miss Brannum presented a program consisting of selections from hit shows among which numbered "Oklahoma", "Carousel", and "Porgy and Bess". They were accompanied by Pat Lewis.

The program was then turned over to Don Helm, chairman of the club, who welcomed the faculty, old members, and newcomers. Officers of the club were then

introduced. Officers for the 1961-62 season are Mary Ellen Carnahan, secretary; Chet Day and Betty Lou Miller, co-business managers; Judy Vanover, personnel manager; Wendy Harrison, social chairman; and Larry Siria, program coordinator.

Marla Brandon, Cast Director of Alpha Psi Omega, Western's honorary dramatics fraternity, introduced the new pledges and explained the functions and forth coming program of the dramatics fraternity.

Chairman Helm then introduced special guests and presented Mr. Russell H. Miller, Director of Western Players. Mr. Miller

Year Of Advancement

Notice anything new this year? If you haven't, something is wrong. Look around. . . new bookstore, new post office, new all-modern science building, new dormitory and grill, new security headquarters, new look in Ogden Hall, new art gallery, new language laboratories, and a record number of new students.

These are by no means all the advancements which have taken place or are taking place on Western's ever expanding campus, but to mention all such events would require a rather lengthy listing.

To the administration of Pres. Thompson, we extend our congratulations for a tremendous job well done. We also extend congratulations to Pres. Thompson for the honor conferred upon him by the Board of Regents in naming the new science building Kelly Thompson Science Hall. To no one could come a more richly deserved honor.

All of these achievements suddenly appear to students and probably many will never give thought to the planning and work which lies in the past. Let us pause the next time we take advantage of one of the new buildings or enjoy a new facility and give credit to the persons who are responsible for the securing of these items for Western students.

What is the significance of all these advancements? Other than their immediate promotion of the academic and social offerings to Westerners, these are only stepping stones to greater things to come. Already under construction is one huge structure and another is to begin very soon. This is just one more giant step toward university status, which cannot be too far into the future.

This year has all the qualifications and opportunities to become the greatest year in the history of Western, and with the cooperation of all those concerned with this "year of advancement" there can be no doubt that it will fulfill even the highest of expectations.

Much work remains to be done. Immediately upon us is the organization and activation of national fraternities and sororities. There can be no doubt that this is a step in the right direction. To those who are skeptical, we can offer the suggestion that they watch the progress of Western through these national organizations.

Where is the stopping point for such a vigorous advancement schedule? It is absurd to ask such a question when we know that progress can never be halted when there is due cause and willing workers than that which we are all associated with, Western Kentucky State College.

Commercial Education Club, 7:30 p.m., Kentucky Bldg.

Western Grill Saves Energy,.... But - - -

Have you ever lived in a Grill? If you haven't, you apparently don't live on the lower end of the campus.

The Grill in question is the new Western Grill located below West Hall which so graciously houses 208 girls instead of the 208 boys the dorm was originally planned to house. For those who do live at the bottom of the hill this new Grill seems like pennies from heaven compared to the pack-your-lunch, stay-all-day hike to the Snack Bar for a coke when you're tired from brain strain. However, this new convenience may be afforded at the cost of a

few hundred good grades of those who live in neighboring dormitories, especially those who live in West Hall.

Difficulties mount when one is desperately trying to learn the difference in exponents and logarithms when the beat of "Little Sister" makes its way up to your window intermingled with laughter and voices. Minutes later your voice may be heard in someone else's window.

Actually what little time is lost in studying can be made up by the lasting friendships made in a place where there are no social barriers.

Tour Of Europe Includes Visit To Historical Points

Miss Sibyl Stonecipher, a member of Western's Foreign Language department and a veteran traveler, spent her summer vacation touring Europe.

She left New York City on August 7 and flew to Vienna for two days. From there she went by train to Trieste, Italy, and then took a bus to Pula, Yugoslavia, where an ancient Roman arena and the ruins of many ancient Roman buildings are located. In Split, Yugoslavia, Miss Stonecipher saw the palace of the ancient Roman emperor Diocletian. Today this historical palace provides a home for three thousand people. Both Pula and Split are of great archaeological interest.

Her next stop was in Dubrovnik, Yugoslavia. From there she flew to Vienna where she changed

planes for Copenhagen. She spent twelve days in Denmark, Sweden, and Norway.

She then spent some time with a friend in Dundee, Scotland. From Dundee she went on to Edinburgh for five days. Here she attended an International Festival. She heard concerts by the Philharmonia from London and the English Chamber Orchestra. She also attended a Ceilidh—a Celtic song festival—and saw a military tattoo—various units of the British, Scotch, Norwegian and Canadian armies passing in review in full dress uniform. Miss Stonecipher especially enjoyed the Old Vic Company's presentation of King John.

Miss Stonecipher's stay in Edinburgh ended her European tour and she returned to Bowling Green on September 11.

Black And White Photos Exhibited In Cherry Hall

An exhibition of 33 outstanding color and black and white photographs, entitled "Architectural Photography", has been open to the public at Western and will continue to be through October 7 in the Art department gallery in Cherry Hall.

The exhibition is the fourth in a series of competitions in the field of architectural photography organized by the American Institute of Architects and the Architectural Photographers' Association now being circulated throughout the nation by the Smithsonian Institution Traveling Exhibition Service.

The purpose of the series is to recognize and encourage outstanding work in the field and to demonstrate the value of this specialized branch of photography to architectural profession, since architectural photography is one of the important means of communication between the architect and the public.

"Architectural Photography" is one of a number of architectural exhibitions currently being circulated by the Smithsonian Institution for the purpose of acquainting experts and laymen with significant achievements in architecture, both past and present.

Religious News

Western's Religious Council is an interdenominational group that plans the religious activities

KMEA Publishes Godfrey Article In Summer Issue

Mr. James H. Godfrey, member of the department of music at Western, is the author of an article in the special summer issue of the Bluegrass Music News, the official publication of the Kentucky Music Educators Association.

Mr. Godfrey's article, "String Directors - Be Prepared", is written as a guide for orchestra directors in preparing for the new school year. Godfrey presents an eleven-point checklist of items to consider and accomplish during the summer months prior to the opening of the fall term.

Godfrey has been a member of the Western faculty since 1968. Previously he was director of music at Pulaski County, Virginia, schools for 12 years.

Another member of the Western Music department faculty, Mr. Claude Rose, is featured in a cover story in the same issue of the music publication.

Mr. Rose, chairman of the fourth annual KMEA state convention scheduled for November and former editor of the Bluegrass Music News, is commended for his outstanding contributions over the years to KMEA. Mr. Rose is described in the article as the "model of a modern KMEA member."

Mr. Rose has been a member of the Western faculty since 1945.

of our campus. Students of various denominations make up the council. Faculty members also serve.

Weekly vespers and dormitory devotions are conducted by the members of the council. It is the aim of the Religious Council to further enrich the religious experiences of our campus.

The two main events sponsored by the council are Religious Emphasis Week and the Easter Sunrise Service.

A meeting is to be called in the near future for the election of the new officers for this school.

Western's Baptist student union had its annual "Western Round-up" Friday night, September 15.

It has become a custom in the last few years for the B. S. U. to sponsor the roundup, which is actually a mixer, to welcome the new students and welcome the return of old students to the Hill.

Games afforded the students an opportunity to become acquainted with each other. Refreshments were served.

Dr. Wilgus Conducts Classes In Indiana

Dr. D. K. Wilgus, professor of English and folklore at Western, conducted courses in folklore at the second Hoosier Festival of the Hoosier Folklore Society, Clifty Falls State Park, Madison, Ind., August 14-17.

Dr. Wilgus has just returned from a field trip to Georgia, where he investigated the origin of a number of American folk songs, including "The Death of Floyd Collins."

HILLTOPICS

By BERNARD MADISON

HillTopic
Congratulations to Pres. Thompson for the honor bestowed upon him by the Board of Regents in naming the new science building, Kelly Thompson Science Hall. To no one could come a more richly deserved honor.

Problems are arising since the addition of the new Western Grill. To those who want to see everyone, this will be some extra exercise.

HillTopic
The newly initiated Rhodes - Helm lecture series promises much to enrich the education of Western students. To the donors of these funds go our thanks.

HillTopic
Lines may form on the afternoons preceeding this season's basketball games, but with work beginning on the new academic - athletic building, this problem should soon be eliminated.

HillTopic
The upperclassmen remember those lines of last year at the book store and post office. This has been eliminated with the vast improvements on these two units.

HillTopic
Class elections are soon to be held. Do not forget that you have the right and privilege to help choose those leaders of the respective classes. Get out and vote.

HillTopic
Congratulations, I believe are in order, to the Board of Regents and the administration for the action taken to set up national fraternities and sororities on Western's campus.

HillTopic
These are the most important weeks in the life of the freshman. Habits formed now are hard to break. Make sure you start out right.

HillTopic
Don't miss a single production of Western Players this season. Every performance will be of great value to everyone.

HillTopic
The Herald will be published weekly for the first time this year. It will be available immediately after the freshmen chapel assembly every week.

HillTopic
Records are falling one by one as this school year rolls through the opening weeks. Let the weeks roll on and the records continue to fall, as we go through the various athletic seasons and another academic year.

I'm Just A Freshman

By SIDNEY WARDLE

"There are three-boys to every girl!"
"There are three girls to every boy!"
"There won't be 500 freshmen left at the end of the semester!"

I didn't know what to believe; I'm just a freshman.
"They don't turn on the heat 'til December!"

"Freshmen can't get on the newspaper staff!"
"If you forget to sign out you're campused for six weeks!"

"You could have a zoo in your room, and they'd never know it!"

I didn't know what to believe; I'm just a freshman.
"Everybody smokes at Western-you'd better take it up!"

"All of the bigshots go to First Baptist!"
"You haven't heard of Carroll Hart!"

"Drama workshop is a breeze!"
I didn't know what to believe, I'm just a freshman.

"The girls on the third floor have wrestling matches every night. Can't you hear them?"

"If you're elected Homecoming Queen, you won't have to crack a book all year!"

"Don't believe anything a senior tells you. I know, I'm a senior!"

"What! You didn't bring a sled? Not even a bicycle?"
I'm beginning to believe all this; after all I'm just a freshman.

Looking Backward

Ten Years Ago - Work is started on the new Student Union Building. . . Miss Dotie Nichols, a senior at Western, is "Miss Kentucky of 1951". . . Raymond Cravens, business manager of the Herald, is honored for his outstanding design and craftsmanship of a model car at the Fisher Body Craftsman Award banquet at the Book-Cadillac Hotel, Detroit, Mich. . . Sam Short and Lawrence Gilbert are made co-captains of the Hilltoppers football team.

Seven Years Ago - Dr. A. M. Stickles retires after serving Western for 46 years. . . Dr. Foteet is made new head of the History department. . . Western defeats Middle Tennessee 7-6 in its first OVC game.

Five Years Ago - Charles Kowen is named Dean of Students. . . Western's enrollment of 2,251 students is the largest in twenty years. . . Pete Maharis, Jody Spradyn, Ken Dorch are elected members of Western's cheerleading squad. . . Dr. Dale C. Page joins Western's faculty.

One Year Ago - Industrial Arts Building receives face lifting. . . Western Players make plans to present Oklahoma. . . Dr. Whittle is new head of the physics department. . . Western names eight graduate assistants.

Western Receives Gift Of \$25,000 To Begin Rodes-Helm Lecture Series

Western has received a \$25,000 gift from Mr. and Mrs. Harold H. Helm for the endowment of a Rodes - Helm Lecture Series at the college. Mr. Helm is chairman of the board of directors of the Chemical Bank and Trust Company of New York.

Announcement of the endowment gift and details of the Lecture Series was made by Pres. Kelly Thompson at the summer commencement exercises.

In making the announcement of the lecture series, Pres. Thompson said the program "will be used to bring to the Western campus, personalities, thinkers, and speakers whom we might not otherwise have an opportunity to meet."

The series will be started during the 1961-62 school year. A special committee of college faculty members will be appointed to select nationally known lecturers to be brought to the Western campus.

The lecture series is named in honor of Warren Circuit Judge John B. Rodes, father of Mrs. Helm, and of Miss Margie Helm, sister of Mr. Helm and Director of Library Services at Western.

Judge Rodes is one of the most distinguished jurists in the South. His daughter, Mary, was married to Mr. Helm in 1925. A native of Bowling Green, Judge Rodes received his early education in the private schools of the city. He was graduated from Ogden College in 1899. In 1891, he was awarded the Bachelor of Law degree by the University of Virginia. Since that time he has established himself as one of Kentucky's leading legal authorities. In addition he has been outstanding in the civic affairs of Bowling Green and Warren County.

Miss Margie Helm and her brother are natives of Auburn, Kentucky, but moved to Bowling Green with their parents, Dr. and Mrs. Thomas Oliver Helm, at an early age.

Miss Helm was graduated from Bowling Green high school. She was awarded the Bachelor of Arts degree by Randolph Macon Woman's College in 1916. She was graduated from the Pratt Institute Library School in 1922 and was awarded a Master of Arts degree in 1933 by the University of Chicago Graduate Library School which she attended on a Graduate Fellowship.

After teaching three years, Miss

Miss Coombs Confined To Hospital From Fall

Miss Elizabeth Coombs, Kentucky librarian, is in the Bowling Green City-County Hospital recovering from a fall she received on July 26.

She is not expected to return to her duties in the Kentucky Library until November.

Her work is being taken care of by Miss Margie Helm, director of library services, Mr. Gayle Carver, curator of the Kentucky Museum, and other members of the staff.

JOHN B. RODES

MISS MARGIE HELM

Helm joined the library staff at Western in 1920 as an assistant librarian. She was appointed librarian in 1923 and served in that position until 1956 when she was elevated to her present position of Director of Library Services at the college.

In addition to her work as librarian at Western and head of the Department of Library Science, Miss Helm served on the first Board of Trustees of the Bowling Green Public Library which established the city's public library. She also served on the Board of Trustees of the Warren County Bookmobile Committee, which inaugurated library service for the county.

Harold H. Helm is one of the nation's foremost financial figures. He and his wife both at-

tended the Western Training School. Mrs. Helm continued her education at the University of Wisconsin and returned to Bowling Green where she served as a member of the Western library staff for a year prior to her marriage to Mr. Helm in 1925.

Mr. Helm was graduated in 1920 from Ogden College and then entered Princeton University where he was graduated in 1920. He immediately began his banking career with the Chemical National Bank in New York. He became president of the bank in 1947.

In 1955, he was named president of the Chemical Corn Exchange Bank, and in 1959, he was named to his present position.

He is a life trustee of Princeton University and also serves with numerous church and civic organizations.

Career Cues

"Cure for job boredom: I made my favorite pastime my career!"

Richard Bertram, President
Bertram Yacht Co., Division of Nautech Corp.

"When you stop to think what percent of our total waking hours is spent bread-winning, you realize how tragic it is for any man to work at an occupation he doesn't enjoy. Besides frittering away life, it reduces chances of success to just about zero. I know... because it almost happened to me!

After college, I did what I thought was expected of me and joined a solid, Manhattan-based insurance firm. I soon found office routine wasn't for me. I lived only for

lunch hour when I could walk to the Battery and mentally sail with the ships that stood out in the Narrows... and for the summer weekends when I could go sailing. Fortunately, the company I worked for is one of the leading insurers of yachts and after two years I was transferred to their Yacht Underwriting Department. Enjoyment and interest in my work improved immediately 100%.

After World War II, I started my own yacht brokerage firm and yacht insurance agency in Miami, combining my marine insurance background with an even closer relationship with boats.

My only problem ever since has been a feeling of guilt that my work was too easy. I love boats and boating people. That affection has paid me rewards way beyond the financial security it has also provided.

The moral's obvious. You have an odds-on chance for success and happiness working at what you enjoy most — what comes naturally! And if it's not just frivolous, your life's work could well be what you now consider just a pastime. It's certainly worth thinking about, anyway!"

Richard Bertram, while still in his early thirties, became one of the country's leading yacht brokers. Today he heads up eight companies covering yacht manufacturing, insurance, repair, storage, finance and brokerage. A resident of Coconut Grove, Florida, Dick became a Camel fan while still in college.

And to make any time pass more enjoyably...

Western Welcome Presented To Our New Faculty Members

William C. Weaver
Department of Art

A native of La Center, Kentucky, Mr. Weaver received his elementary and secondary education at Wickliffe. He was awarded the B. S. degree in art and art education by Murray State College in 1951. He was awarded the M. A. degree in ceramic art by Ohio State University in 1958.

Robert M. Ashby
Department of Business and Government

Mr. Ashby was awarded the A. B. degree by the Bowling Green College of Commerce in 1933. He was awarded the M. A. degree by Western Kentucky in 1936, and has done graduate work toward the doctorate degree at Indiana University.

Robert K. White
Department of Business and Government
Department of Economics

Mr. White is a native of Indiana. He was awarded the B. S. degree by Indiana University in 1957, and the M. S. degree by the same institution in 1960. Since June of 1960, he has been engaged in work toward the Ed. D. degree at Indiana.

Emory S. Crosby
Department of Biology

A native of South Carolina, Mr. Crosby was awarded the B. S. degree by Western Kentucky in June of 1961. He was awarded the M. A. degree by Western in August of this year.

Harold R. Hepler
Department of Economics and Sociology

Mr. Hepler was awarded the B. S. degree by Temple University in 1947. He attended the Louisville Presbyterian Theological Seminary from 1946 until 1948, and was awarded the M. A. degree in sociology by the University of Louisville in 1956. He is a native of Pottsville, Pennsylvania.

Clyde T. Bates
Department of Economics and Sociology

Mr. Bates is a native of Scott County, Kentucky. He was awarded the B. S. degree in agricultural economics and general economics by the University of Kentucky in 1960, and was awarded the M. S. degree by the same institution in August of this year.

Seth Wade, Jr.
Department of English

Mr. Wade is a native of Russell County, Kentucky. He was awarded the A. B. degree by the University of Kentucky, and the M. A. degree by Tulane University. He has completed all course work for the Ph.D. degree at Ohio State University.

Edson W. Ewing
Department of Mathematics

Mr. Ewing attended Indiana University and was awarded the B. S. degree by Ball State Teachers College, Muncie, Indiana, in 1960. He was awarded the M. S. degree in mathematics by Ball State in August of this year. He is a native of Connersville, Indiana.

Terry Ralph Otten
Department of English

Mr. Otten is a native of Bellevue, Kentucky, and was awarded the A. B. degree in English by Georgetown College in 1959. He was awarded the M.A. degree in English by the University of Kentucky in 1961.

Miss Martha Freedle
Training School

Miss Freedle was awarded the B. S. degree by Austin Peay State College, Clarksville, Tennessee, and has begun graduate work toward the M.A. degree at Western. She is a native of Tennessee.

Mrs. Nina H. Bennett
Department of Home Economics

Mrs. Bennett is a native of Crofton, Kentucky, and a graduate of Crofton High School. She was awarded the B. S. degree in home economics by Murray State College, and has done graduate work in the same field at the University of Tennessee.

Miss Polly Ann Davis
Department of History

A native of Mississippi, Miss Davis was awarded the A. B. degree by Blue Mountain College, Mississippi, in 1953, and was awarded the M. A. degree by the University of Mississippi in 1954. She has also done graduate work toward the doctorate degree at the University of Kentucky.

Dr. E. W. Beck
Department of Education

A native of Iowa, Dr. Beck was awarded the A. B. degree by Coe College, Cedar Rapids, Iowa. He was awarded the M. A. degree by the State University of Iowa and was awarded the Ph.D. degree by the same institution in 1937.

Pitman S. Faries
Department of Education

Mr. Faries, a specialist in audio-visual education, was awarded the A. B. degree by Eastern Kentucky State College in 1942, and was awarded the M. A. degree by the University of Kentucky in 1947.

Joseph W. Morris
Department of Education

A native of Tennessee, Mr. Morris was awarded the B.S. degree by Midwestern University, Wichita Falls, Texas, in 1953. He was awarded the M. A. degree by Memphis State University in 1958, and has been engaged in work toward the Ph.D. degree at University of Mississippi.

Meet And Greet Western's New Members Of The Faculty

Robert B. Siddens
Training School

Mr. Siddens is guidance counselor at the Training School. A native of Bowling Green, he was awarded the B. S. degree by Western in 1959, and the M. A. degree by the same institution in August of this year. He has also done graduate work at Miami (Ohio) University.

Mrs. Anne F. Law
Training School

Mrs. Law is supervising teacher of English at the Training School. A native of Somerset, she was awarded the A.B. degree in 1954 by Western, and the M.A. degree by the same institution in 1960.

Dr. H. E. Shadowen
Department of Biology

Dr. Shadowen was awarded the A. B. degree by Berea College in 1950, and the degree of Master of Science in zoology by the University of Kentucky in 1951. He was awarded the Ph. D. in zoology by Louisiana State University in 1956. Dr. Shadowen is a native of Fredonia, Kentucky.

Dr. Robert J. Wurster
Department of English

Dr. Wurster was awarded the Ed.S. degree by George Peabody College, Nashville, Tennessee, in August of this year. A native of Louisiana, he was awarded the A.B. degree by the University of Southwest Louisiana, Lafayette, Louisiana, in 1955, and the B.S. degree by the same institution in 1960. He was awarded the M.A. degree by Peabody College in 1960.

Sergeant William M. Parks
Department of Military Science
A native of Indiana, Sergeant Parks is a 13-year veteran of military service. He has served with the 7th Infantry Division in Korea during 1958-59, and was a military instructor in Chicago high schools from 1958-59. He has also served in numerous other capacities since entering the service in 1948.

Miss Robye Anderson
Training School

Miss Anderson was awarded the B. S. degree by Western in 1962, and the M. A. degree by Western in 1965. She has also done additional graduate work at George Peabody College. A native of Caneyville, Miss Anderson is supervising teacher of girls' physical education at the Training School.

Miss Virginia Witherspoon
Training School

Miss Witherspoon teaches junior high school mathematics at the Training School. She was awarded the A.B. degree by Western in 1960, and has begun graduate work toward the M. A. degree at Western. She is a Bowling Green native.

Carlton Jackson
Department of History

Mr. Jackson is a native of Blount County, Alabama. He was awarded the A. B. degree in history by Birmingham Southern College, Birmingham, Alabama, and the M. A. degree in history by the same institution. He has begun work toward the Ph. D. degree at the University of Georgia.

Herbert A. Leopold
Training School

Mr. Leopold is a native of Jacksonville, Florida. He was awarded the A. B. degree by the University of Louisville in 1962, and the M. A. degree by Western in August of this year. He has also done work at Kentucky Wesleyan College.

Dr. Gordon Wilson, Jr.
Department of Chemistry

The son of Dr. Gordon Wilson, Sr., former head of the department of English at Western, Dr. Wilson, Jr., is a native of Bowling Green. He was awarded the B. S. degree in chemistry by Western Kentucky in 1957, and was awarded the M. S. degree by the University of Kentucky in 1960. He was awarded the Ph. D. degree in chemistry by Purdue University in 1967.

Robert L. Sleamaker
Department of Education

Mr. Sleamaker was awarded the B. S. degree by Western Kentucky in 1957, and the M. A. degree by Western in 1958. He also attended the University of Louisville, and has done graduate work at the University of Kentucky. Mr. Sleamaker is a native of Columbia.

William Stronks
Department of Foreign Languages

Mr. Stronks is a native of Aalten, Netherlands, where he received his elementary and high school training, and was awarded a state teaching certificate by a teachers' college in the Netherlands in 1954. He was awarded the A. B. degree by Calvin College in Grand Rapids, Michigan, in 1957. He was awarded the M. A. degree by Vanderbilt University in January, 1961.

Edward M. Self
Department of Geography and Geology

Mr. Self attended Western and was awarded the B. S. degree in geology by the University of Kentucky in 1958. He was awarded the M. S. degree by Kansas University in 1959. Since January of this year, he has been engaged in studies for the Ph.D. degree at Indiana University. He is a native of Rockfield.

Alumni News

James Polley, A.B. '53, has been employed by National Airline Division, Allied Chemical Corp. Mr. Polley resides in Glendale, W. Va. with his wife and two children.

Serena Blackburn Parker, A.B. '35, has been placed in the position as principal of Gra-Mar Elementary school at Nashville, Tenn. After her graduation from Western, Mrs. Parker received M.A. from George Peabody College in 1959.

Marvin R. Moorman, AB '50, public health educator, assigned to the Butler, Edmonson, and Grayson County Health Departments since July, 1959, has been accepted for a public health traineeship at the University of North Carolina Graduate School of Public Health.

Moorman, a native of Glen Dean, before accepting his present position, was a teacher at the Irvington High School and had held positions with Reynolds Metals Company in Louisville and the F. A. Ames Company in Owensboro.

Army Pvt. Vernon C. Spurling, A. B. '60, son of Mrs. F. A. Spurling, Campbellsville, recently completed the 20-week Army basic

bandsman course at the U. S. Naval School of Music, Washington D. C.

Spurling entered the Army last March and completed basic training at Fort Knox.

Pvt. Spurling is a 1956 graduate of Campbellsville High School. He is a member of Phi Mu Alpha honorary music fraternity.

Army Captain B. D. Lewis, A. B. '50, completed the 13-week associate signal officer course recently at the Signal School, Fort Monmouth, N. J.

Captain Lewis received instruction in the duties and responsibilities of a field grade Signal Corps officer. The course included instruction in Army signal communications, Signal Corps organization and functions at higher levels, signal supply and maintenance and special Signal Corps activities.

Captain Lewis, a 1945 graduate of Sumner County High School, Portland, Tenn., entered the Army in 1952.

His wife Patricia lives in Millis, Mass. His parents, Mr. and Mrs. G. E. Lewis, live at 1114 Park Street, Bowling Green.

Society

GRISE-FORESTER

Mr. and Mrs. Finley Christopher Grise of Bowling Green announce the engagement of their daughter, Mary Ruth, to Mr. William Stanton Forester, son of Mr. and Mrs. Oliver Stanton Forester of Louisville.

Miss Grise is a 1959 graduate of Western, where she was a member of Tau Kappa Alpha and Alpha Psi Omega honoraries.

Mr. Forester, a present graduate student at the University of Louisville, is a graduate of Western.

The wedding will take place in late November.

GLASS-CRIDER

Mr. and Mrs. James N. Glass of Bowling Green announce the marriage of their daughter, Norma Ann, to Stephen Bayes Crider, son of Mr. and Mrs. Crider, Middletown. The ceremony was performed July 28 at the Celina Methodist Church, Celina, Tenn.

Mrs. Crider is a graduate of Bowling Green High school. Mr. Crider is a senior at Western.

Births

Mr. and Mrs. Jerry E. Payne of Route 2, Marietta, Ga., announce the birth of a son, William Earl, born July 10.

Mrs. Payne, the former Janell Whitlow, received her B. S. degree from Western in 1958.

Mr. Payne attended Western before receiving his B. E. E. degree from Georgia Institute of Technology.

Mr. and Mrs. Orville J. Sharp announce the birth of a daughter, Mary Donna, born August 14 at the Paintsville General Hospital. Both Mr. and Mrs. Sharp are 1956 graduates of Western. Mrs. Sharp is the former Ann Williams.

The couple with their other child now reside in Paintsville.

McNally Attends Meet

Dr. C. P. McNally, head of the Chemistry department, attended the 140th National Chemical Society meeting held in Chicago, September 3-8.

He was accompanied by Mrs. McNally, a teacher at the Training School.

Western To Host IDEA 5-6

The Third District Education Association will hold its annual meeting on Western's campus

Thursday and Friday, October 5-6

Additional information on this meeting will be forthcoming when the schedule of activities is released.

Hurry! Hurry! Hurry! to Western Hills Restaurant!

Mrs. Taylor is out of town and Jim has flipped his lid—Says today, tomorrow, and Friday you can present this coupon and get any 2 of those delicious sandwiches for the price of 1!!

Hurry and get yours before Mrs. Taylor gets back Saturday. Poor Jim!

ONCE MORE, UNTO THE BREACH

With this installment I begin my eighth year of writing columns for the makers of Marlboro Cigarettes, as fine a bunch of men as you would meet in a month of Sundays—loyal, true, robust, windswept, forthright, tattooed—in short, precisely the kind of men you would expect them to be if you were familiar with the cigarettes they make—and I hope you are—for Marlboro, like its makers, is loyal, true, robust, windswept, forthright, tattooed.

There is, however, one important difference between Marlboro and its makers. Marlboro has a filter and the makers do not—except of course for Windswept T. Sigafos, Vice President in charge of Media Research. Mr. Sigafos does have a filter. I don't mean that Mr. Sigafos personally has a filter. What I mean is that he has a filter in his swimming pool at his home in Fairbanks, Alaska. You might think that Fairbanks is rather an odd place for Mr. Sigafos to live, being such a long distance

from the Marlboro home office in New York City. But it should be pointed out that Mr. Sigafos is not required to be at work until 10 A.M.

But I digress. This column, I say, will take up questions of burning interest to the academic world—like "Should French conversation classes be conducted in English?" and "Should students be allowed to attend first hour classes in pajamas and robes?" and "Can a student of 18 find happiness with an economics professor of 90?"

Because many of you are new to college, especially freshmen, perhaps it would be well in this opening column to start with campus fundamentals. What, for example, does "Alma Mater" mean? Well, sir, "Alma Mater" is Latin for "send money".

What does "Dean" mean? Well, sir, "Dean" is Latin for "don't get caught".

What does "dormitory" mean? Well, sir, "dormitory" is Latin for "bed of pain".

Next, let us discuss student-teacher relationships. In college the keynote of the relationship between student and teacher is informality. When you meet a teacher on campus, you need not salute. Simply tug your forelock. If you are bald and have no forelock, a low turtley will suffice. In no circumstances should you polish a teacher's car or sponge and press his suit. It is, however, permissible to worm his dog.

With the President of the University, of course, your relationship will be a bit more formal. When you encounter the President, fling yourself prone on the sidewalk and sing loudly:

"Prexy is wise
Prexy is true
Prexy has eyes
Of Lake Louise blue."

As you can see, the President of the University is called "Prexy". Similarly, Deans are called "Dixie". Professors are called "Proxie". Housemothers are called "Hoxie Moxie". Students are called "Amoebae".

© 1961 Max Shulman

This uncensored, free-wheeling column will be brought to you throughout the school year by the makers of Marlboro and Marlboro's partner in pleasure, the new, unfiltered, king-size Philip Morris Commander. If unfiltered cigarettes are your choice, try a Commander. You'll be welcome aboard.

Miles Elected By Cherry Country Life

Billy Joe Miles, senior from Owensboro, was elected president of the Cherry Country Life Club, Thursday night at the club's first meeting of the year held in Snell Hall with 53 attending.

The other officers elected are as follows: vice-president - Wayne Moore, Madisonville; secretary - Larry Mutter, Glasgow; treasurer - Ramsey Cunningham, Cadiz; reporter - Duncan Sanford, Franklin; chaplain - Ellis Morrow, Elizabethtown; parliamentarian - Marney Nunnally, Temple Hill; business managers - Coleman Shouse, Hugh Roy, and Greg Johnson; recreation committee - John Fourquon, Charles Oatis, and Larry Chuk; library committee - Frank Miles, and Lelmo Greene; homecoming committee - James Summers, chairman, Henry Duncan, Duncan Sanford, Charles Oatis, Coleman Shouse, and William Lawrence; chairman of membership drive - Larry Mutter.

A door prize to the upperclassman bringing the most freshmen to the meeting went to D. T. Krahwinkel. The freshman door prize went to James Hundley.

The Cherry Country Life Club is composed of agriculture students, believing in spiritual, mental, and physical development, recognizing the value of constructive agriculture leadership in the economic, scientific and social problems.

The next meeting will be held on the first Tuesday in October.

Two IA Instructors Attend State Meet

Mr. Walter Nalbach and Mr. Frank Pittman of the Industrial Arts Department attended a meeting of the Kentucky Council on Industrial Arts Teachers Education, which was held at Mammoth Cave Kentucky on July 14-15. The purpose of the meeting was to discuss the problems of Industrial Arts Education of Kentucky.

Record Aug. Graduation Honors Park City Grad

Mrs. Alberta Lee Logsdon, Park City, was recognized as top honor graduate of the 1961 summer graduating class during commencement exercises held Friday night, August 4.

During the eighty-fourth commencement program at the Western Stadium, 334 students were awarded degrees, and seven senior ROTC cadets were commissioned second lieutenants in the U. S. Army.

Mrs. Logsdon was named recipient of the "R. C. P. Thomas Scholarship Award" for having the highest scholastic standing for four years work at Western. She finished with a perfect 3.0 academic standing. Dr. Ward Sumpter, a member of the Western faculty and Ogden Trustee, presented the scholarship award to Mrs. Logsdon.

Students recognized during the program as honor graduates for

Young Republicans To Meet Tomorrow

Interested in the political future of Kentucky?

The first regular meeting of the Young Republicans club will be held tomorrow at 6:30 in the Student Center. Featured at the meeting will be a talk by the Republican candidate for Sheriff of Warren County. His talk will be followed by nominations for club officers for the coming year.

compiling an academic standing of 2.4 or better for four years work at Western included: Mrs. Ethel Sell Anderson, Bow; Sandra Lee Cooksey, Henderson; Mrs. Nell B. Gardner, Hodgenville; Mrs. Mollie Ann M. Gibson, Bowling Green; Mrs. Alberta T. Logsdon, Park City; Chester Richard Mittag, Hardinsburg; Mrs. Lilian Rhea Noe, Russellville; Mrs. Mary Cary Ross, Tompkinsville; William T. Rudloff, Farmington, Mo.; Nancy June Simmons, Russellville; Lois Jean Ward, Bonnie-

ville; Charles William Watson, Leitchfield; Mrs. Ellis S. Wells, Tompkinsville; Mrs. Crystal Wilson, Bowling Green.

The following ROTC cadets were commissioned to second lieutenants in the U. S. Army: James G. Dabney, Beaver Dam; Weldon P. Maurie, Waco, Tex.; James A. McMahon, Henderson; Hector N. Melendez, Fort Knox; John R. Parker, Roberts; John F. Payne, Louisville; and William F. Prow, Dawson Springs.

Three other Western cadets

were commissioned second lieutenants in exercises at summer camp at Fort Knox. Those commissioned were Ronald E. Arendas, Vero Beach, Fla.; Joseph D. Hicklin, Madisonville; and James R. Spears, Franklin.

One of the highlights of the commencement program was the announcement by President Dr. Kelly Thompson of a \$25,000 gift from Mr. and Mrs. Harold H. Helm, former local residents, for the endowment of Rodes - Helm Lecture Series at the college.

Meet The New Faculty

Miss Sara P. Rhodes
Department of English

A native of Nashville, Tennessee, Miss Rhodes was awarded the A. B. degree by Vanderbilt University in 1953, and the M. A. degree by the same institution in 1956. She also has studied at the Oslo, Norway, Summer School for Foreign Students, the University of Copenhagen, and Bowling Green (Ohio) State University.

Leon L. Calkowsky
Department of Economics and Sociology

Mr. Calkowsky, native of Old Lyme, Connecticut, was awarded the B. S. degree by Central Connecticut State College in 1952. He was awarded the M. A. degree by the Teacher's College of Columbia University in 1953, and a Professional Diploma by the same institution in 1958. He has also done work toward the doctorate degree at Columbia.

Dr. Hugh M. Thomason
Department of History

Dr. Thomason was awarded the Ph. D. degree in political science by Emory University, Atlanta, in August of this year. He was awarded the M. A. degree by Emory University in 1948, and was graduated by North Georgia College, Dahlonega, Ga., with the A. B. degree in 1947. He is a native of Georgia.

Edward N. Kearny
Department of Psychology

Mr. Kearny is a native of New Orleans, Louisiana, where he received his elementary and secondary education. He attended Tulane University, and was awarded the A. B. degree by Southwestern College, Memphis, Tennessee, in 1958. He was awarded the M. A. degree by Louisiana State University in May of this year.

Chapel Welcomes

Continued from page 1

bly in singing "America the Beautiful".

The rewarding experience of the morning for students and certainly for the present faculty members was the brief introduction of each of the thirty-three new faculty members.

Three Cadets Receive Honors At ROTC Camp

Three Western ROTC cadets received honors at the opening of the six weeks ROTC summer camp at Fort Knox.

Cadets William F. Mize, Jr., of Cadiz, and Stephen B. Crider of Middletown were both selected to act as members of the Color Guard for the opening parade of the camp, and William G. Lawrence of Cadiz was selected to act as school color bearer.

The three Western cadets were among more than 1,200 cadets from 27 colleges who participated in six weeks of intensive field training and practical work as they implement the subjects and theories they studied in military classrooms at college.

Mize is the son of Mr. and Mrs. William F. Mize of Cadiz. He is a member of the Cherry Country Life club, Pershing Rifles, and Scabbard and Blade.

Crider, the son of Mr. and Mrs. Marvin Crider of Middletown, is active in the Geography club and Pershing Rifles.

The son of Mr. and Mrs. Ernest A. Lawrence of Cadiz, Cadet Lawrence is a member of the track team and Scabbard and Blade.

Faculty House Alive With Hum And Buzz

On entering the Faculty House this reporter can testify that the hum and buzz of a faculty group equals that of any student group at any time.

The hostess, Mrs. Elizabeth G. Walz, states that the use of the faculty house is available to any faculty member and his family and for larger groups by appointment. It is also open on evenings, Saturday afternoons, and Sundays.

The faculty wives are planning to hold an informal covered-dish-supper in the faculty house at 6:30 p.m., Thursday, September 28, 1961.

Vottler Selected To Represent Company

Kenny Vottler, junior industrial arts major from Louisville, has been named the campus representative for Philip Morris Inc. for this school year.

Kenny is a graduate of Male High school where he lettered in basketball and baseball. He assisted in coaching the freshman baseball team here last year.

In his position as campus representative, Kenny will be responsible for all promotions of the company on campus.

Pittman To Take Leave

Mr. Frank Pittman of the Industrial Arts department is taking a leave of absence September 25 to be with "Uncle Sam" at Fort Chaffee, Arkansas. He was one of the ones in the 100th division to be called. Mr. Pittman, a graduate of Western, has taught for one year here. At the present time no one has been selected to take his place.

SNEA Begins New Year With Drive For New Members

Join now! That is the call from SNEA. A membership table has been set up on the first floor of Cherry Hall, and membership dues for the Student National Education Association are now being accepted.

The organization is not limited to elementary education majors. Last year 400 students with majors in many fields of learning were members of SNEA.

According to a KEA report, Western's branch of SNEA, the Lee Francis Jones Chapter, was seventh largest in respect to the size of the school. The workshop held on the Hill last spring was regarded as one of the best in this association.

The first meeting will be held at 7:30 p. m. Thursday, September 28 in the Kentucky Building. All students are invited to attend.

THEN . . . When it is finished, the new 6-story dormitory for women will look like this. This concrete shaft accented structure will present the campus with its first elevators.

6-Story Dorm To Be Ready Next Fall

Western's newest dorm is now under construction and is expected to be completed by September 1962. The \$1,284,400 six-story women's dormitory will have a 404 bed capacity when it is expected to open for the 1962 fall semester.

The Leo C. Miller Company, Inc., Louisville, was awarded the job of constructing the new dorm. The company was the low bidder when bids were opened in Frankfort, August 1.

The Miller construction firm has just completed construction of the new \$780,000 dormitory on 16th street, and also the new \$1,300,000, Science Building on the Ogden campus.

Walter Scott Roberts, Owensboro, designed the new six-story building, which will be constructed of brick and stone. The building is the first of three women's residence halls planned for construction between the Kentucky Building and the college heating

plant. The buildings will form three sides of a quadrangle, the fourth side being left open to the Russellville Road.

Elevators will be contained in the new dorm because of its height. The six-story dormitory, which will contain Western's first elevators, is of contemporary design with lime stone shafts accenting a brick exterior. Eventually located at right angles to the six-story building will be two smaller dormitories housing 200 women students each with a plaza in the middle.

College High Pupils Begin 8-Hr. Day

College High pupils began an eight-hour school day on September 12. According to James A. Carpenter, Training School director this additional hour each day will permit ambitious students to obtain as much as 25 credits within the four-year high school period.

Also, the director said, it establishes a framework for an increased high school enrollment, while challenging the "gifted students" with a chance for more academic work in the fields of science and foreign language. This program also gives the students a better chance for extra-curricular activities.

NOW . . . there is not much here to give a clue to the huge structure on which construction is beginning. This is the site of the 6-story structure which will house women next fall.

Western's Dorms Hosted By Four New Directors

Four new dormitory directors greeted students as Western opened its 55th year, September 10.

These new directors are Mrs. Edith S. Kendall, White Stone Hall, formerly West Hall; Mrs. Rachel Palmore, Regents Hall, formerly New Residence Hall for Women; Mr. Richard A. Roberts and John G. Hoagland, new directors of North and South Halls, respectively.

Mrs. Kendall replaced Mrs. Sue Beard, who has been named director of Western's newest dormitory for women, West Hall. Mrs. Palmore replaced Mrs. Dorothy Smith, who is now serving as secretary to the president, as director of Regents Hall.

Mrs. Kendall is a native of Cynthiana. It was here she received

her formal education through high school. She received her later education at the Lexington College of Business and University of South Carolina.

Mrs. Palmore, a native of Glasgow, is a graduate of the Louisville Conservatory of Music and also attended Brenan College located at Gainesville, Ga.

Mr. Roberts, a native of Leitchfield, received his B. S. degree in commerce from Western in June, 1961. He plans to do work on his masters degree while serving as Director of North Hall.

Mr. Hoagland, an elementary education major, is a native of New Castle. Residing with him at South Hall are his wife Sue and son Gary.

Hatchers Attend Camp

Dr. and Mrs. Paul Hatcher, Danforth Associates of the Western campus, spent a week this summer at the Danforth camp, Camp Miniwanaca, in Stony Lake Michigan.

21 GREAT TOBACCOS MAKE 20 WONDERFUL SMOKES!
AGED MILD, BLENDED MILD—NOT FILTERED MILD—THEY SATISFY

Unbeaten, Untied Toppers Trample East Tennessee Buccaneers 32-14

Joe Druga and Bill Straub guided Western to a easy 32-14 victory over East Tennessee in the first conference game of the season.

Joe Druga, a 5-8, 170 pound sophomore, ignited the attack with a dazzling 84 yard touchdown run in the second quarter. Then Bill Straub, 5-7 junior, kept the Top-

pers rolling in the final half with help from Druga.

The Toppers, nursing a 10-7 half-time lead, tallied once in the third quarter and added another in the early part of the final quarter to open a 25-7 lead. The teams traded touchdowns after that.

Druga also scored on a 16-yard run for the last score of the game

after Buxy Best had gotten loose on a 54-yard touchdown dash. Best also scored another on a two-yard plunge to account for all the Western scoring.

After a scoreless first quarter in which scoring drives by both teams were stopped by fumbles, East Tennessee got its offense rolling first.

Midway of the second quarter, East Tennessee took a punt on its own 36 and set sail for Western's goal on the passing of Baker.

Baker drove the Buccaneers to the Topper 16 and from there he wheeled around left end for the first score. Jim Sowders kicked the point.

That lead was short-lived, however, as Druga took the kick-off and barreled straight up the field 84-yards for the touchdown. Freshman kicking specialist Sam Clark kicked the point.

Clark's field goal came with 18 seconds left in the half when Western failed to hit on a first down pass from the Buc's six-yard line.

The kick was from the 12, therefore, making it a 22-yard field-goal. Western had moved from East Tennessee's 46 to the six after getting a punt in the closing minutes. Straub picked up 26 of the yards running and passed to Lee Murray for the other 14.

Poynter, Boone To Captain 1961 Topper Gridders

Jack Poynter, a tackle from Owensboro, and Winston Boone, a speedster halfback from Corbin, will share responsibilities as co-captains of the 1961 Hilltopper football team.

Jack, a twenty-one year old art major, is a 6 ft. 2 in. 190 pounder, who sat out most of last season due to injuries.

Winston, a twenty-one year old English major, is a 6 ft. 170 pounder. He transferred here from Bethel Junior College during his freshman year. Both Poynter and Boone are in their third year as regulars.

Griffin Plans All Inclusive Program Of Intramurals

Another tremendous intramural program has been planned for the coming year according to Coach Frank Griffin, assistant football coach and head of the intramural program.

Coach Griffin said "There is a great need for intramurals here at Western and we are going all out to take care of all students leisure time and encourage any student to come by and discuss intramurals at any time."

Plans again have been made for bowling, touch football, volleyball, basketball, and tennis.

An intramural bowling meeting will be held the first Thursday in October at Crescent Bowl. This is open to all men, women and faculty members.

Touch football for men and volleyball for women will start next week. More about these will be in the next issue of the Herald.

Students interested in tennis may sign for tournament now being held. Contact Don Meyer for more information concerning the tournament. Trophies will be awarded to winners.

More than 2,000 students participated in intramurals last year.

Academic-Athletic Bldg. Construction Set For Nov.

Construction of the new \$2 1/4 million academic - athletic building for Western is planned to start in November.

The structure, big as a football field and with an ultimate seating capacity of 13,000 for basketball, should be ready for occupancy in the fall of 1963.

The three-tier structure will be erected on a 12-acre tract on Russellville Road near Dogwood Drive, adjacent to the present maintenance building. All of the acreage not occupied by the building and an athletic practice field will be devoted to parking areas and access roads.

The huge plant will be circular with a diameter of 300 feet and a height of 70 feet.

In addition to the basketball arena, it will house a swimming pool approximately 72 by 42 feet, an auxiliary gymnasium, 30 classrooms, offices for physical education staff members and shower, locker, and equipment rooms.

The arena will be equipped with a portable stage, making it available for concerts, dramatic productions, and large meetings.

The building will be of concrete, brick, and steel. Protruding shafts of concrete will break the brick exterior and the complete circumference of the building. The roof will be suspension type, with pretension steel cables and trusses supporting it.

The auditorium-arena will be equipped with 8,568 seats at the beginning. Of this number, 3,440 will be theater-type seats, 4,176 permanent bleachers and 952 pullout bleachers.

Additional roll-out bleachers seating 3,985 will be added later to increase the seating capacity to 12,552. There will be sufficient

extra space around the court for several hundred chairs if they are ever needed. That would put the capacity at 13,000.

Entrances to the building will branch off both Russellville Road and Dogwood Drive.

The principle lobby area will front the Russellville Road and will be located about 150 feet from the highway. The 112-foot-wide lobby will be projected from the building and covered walkways will lead to it.

The lobby will be constructed on a hill, allowing spectators to enter at the second of the building's three tiers. They will be able to look over a railing into the swimming pool area.

Gym Floor Refinished For 1961-'62 Season

Because of the efforts of the maintenance department, the Western gymnasium floor is amazingly well polished and in good condition. This job was complimented highly by the entire Physical Education department, especially by head basketball coach E. A. Diddle and Ted Hornback, head of the Department of Physical Education.

The polishing job was done by eight men, headed by Mr. H. T. Goodman, maintenance manager of the Physical Education building and Dutch Osborne, a retired Army colonel, recently hired by Western as supply manager of all P. E. equipment.

By RONNIE STEWART

Coch Ed Diddle has made sure that Western has a large freshman class in more than one sense of the word, "large".

Last spring, Coach Diddle remarked, "I don't aim to 'graduate' in last place." This year's freshmen will be seniors in 1965 when Diddle reaches the mandatory retirement age.

He has recruited ten freshmen who have an average height of 6-3 1/2. The list is headed by two out-of-state boys at 6-5 1/2 and 6-7.

Ray Keaton, a 6-5 1/2 forward from Portsmouth, Ohio was persuaded to come to Western by ex-Topper Don McGuire. Glen Markam is a 6-7 pivotman from Southern Pines, North Carolina.

Don Parson, captain of the 1960 Hilltopper team that went to the NCAA tournament, and now coach at Calhoun has sent two boys to join the freshman team.

Bill Parson, brother of Don, is a 6-1 forward with a reputation as a jumping jack. The other Calhoun boy is guard Larry Rightmyer, the shortest one in the group at a mere 6-0.

Others are 6-4 Mickey Brown, a track star from Campbellville; Ralph Baker, 6-4, from Wane County; Sherrill Howard, 6-2, from Todd County; Ray Rhorer, 6-2, from Bryan Station; Eddie Hoppood, 6-7 from Nebo; and Gene Haskett, a 6-1 Hoosier from Switz City, Ind.

Hilltoppers Massacre Indians From Southeast Missouri To Tune Of 13-0

Western's Hilltoppers surprised Southeast Missouri's Indians to the tune of 13-0 at Cape Girardeau, Mo., in the football opener of the season for both teams, September 16.

Considered the underdog, Western pushed across two touchdowns in the first half and made that lead sufficient, standing off two scoring threats by the host team in the last half.

Western's first touchdown came after less than five minutes of play when end Jim Hughes intercepted a Missouri pass and ran 56 yards for the first six-pointer.

Freshman halfback Sam Clark added the extra point, and Western took a 7-0 lead with 10:30 left in the first period.

Halfway in the second quarter Jack Poynter of Owensboro gathered in a Missouri fumble to set up the other touchdown. Carson Culler, sophomore halfback, scored it by sweeping around left end for a 10-yard run.

The ball had been put in scoring position on a previous play when Culler picked up 10 yards on another sweep.

Immediately after Western had drawn a 15-yard penalty, quarterback Bill Straub, former Ft. Thomas Highlands star, kept the drive alive when he made a 19 yard run to the Indians' 24.

The Toppers tried only six passes and completed just one, a 12 yarder from Straub to Culler.

Western netted 159 yards on the ground. Fullback Joe Jagers rocked up 51 yards in 11 carries, while Culler netted 33 in six runs. Winton Boone had 32 in

eight attempts and Straub totaled 27 in five stabs.

The Toppers defense limited Southeast to 140 yards on the ground. The Indians had 66 in the air, but much of that came in the last remaining moments when the Toppers were willing to give away the short yardage while guarding against the 'home-run' play.

This was a big victory for the

Toppers since it ended a five game losing streak carried over from the 1960 season.

invited all new members to the club, presented a brief account of the organization, and announced the forth coming program for the school year.

The meeting was then adjourned to the patio where refreshments were served.

The tentative schedule of Western Players for the school year 1961-62 is as follows:

First Semester
Oct. 11- Oct. meeting, Snell Hall, 7 p. m.
Oct. 25- Nov. meeting, Snell Hall, 7 p. m.
Nov. 1, 2, 3- Major production, Van Meter, 6:30 p. m.

Thompson Hall

Continued from page 1

floors are connected by three stairways and a service elevator.

Each of the floors is equipped with spacious facilities for the instructors as well as the students. Small conference rooms, instructors private offices, testing laboratories, large groups laboratories, average size classrooms and the tiered 200-seat-capacity major lecture rooms.

Thompson Hall is one of the most modern and well-equipped science buildings in the South. Students who remember the cramped and sometime unpleasant conditions in the basement and classrooms of Cherry Hall are appreciating the spacious and modern facilities that are at their disposal.

The spacious lobby and entrance hall that greets the students as they enter from either the front or the Ogden Campus side of the building is fast becoming one of the more popular spots in the area.

The building is located along 14th street on the Ogden campus portion of the college grounds. It was designed by Frank Cain, Bowling Green, and Ben Johnson, Owensboro, and built by the Leo C. Miller Construction Company, Inc. Louisville.

Fourteen College High Sophs Score In Tests

Fourteen students of College High school have received certificates for their outstanding performances on the National Educational Development Tests, according to James A. Carpenter, school director.

The certificates of Educational Development were awarded by Science Research Associates, a Chicago-based firm serving education, industry, and government through applied behavioral science.

Recipients include: Carolyn B. Ashworth, Susan E. Bennett, Marcia L. Boyd, Carolyn A. Caudill, Bruce F. Clark, Craig D. Clark, Trudy J. Dodd, William P. Garis, Jeff J. Lewis, Susan J. McClellan, Frances Mercer, Frank H. Perkins, Paula A. Wagoner, and Carmen A. Willoughby.

Of the 40 sophomore students taking the test, two students were in the 99 per cent group, 35 per cent in the top 92 per cent, and 60 per cent were in the 60 per cent or better. There is indication that there should be potential Merit Scholarship winners in this class.

In March, 1961, according to

ROTC Enrollment Almost Doubled For This Term

Western's ROTC department has enrolled the largest number of cadets in the history of the college.

According to figures recently released by Lt. Col. James F. Marquis, Professor of Military Science, Western's corps of cadets with this fall, number 444 as compared with 269 last year.

Part of this giant influx may be attributed to the newly revised ROTC program for basic cadets. The new program is designed to make ROTC more desirable by cutting down on the number of classroom hours required for the course. Now a cadet may substitute a regular academic course as part of the ROTC curriculum. This course may be chosen from either of the following fields: effective communications, science comprehension, general psychology, or political developments.

The course used for ROTC credit may be one which is required in the student's normal academic curriculum during the freshman year. In this way, a student taking ROTC may receive a broader liberal education and at the same time gain knowledge which will be invaluable to him as an officer in the United States Army.

New Department

Continued from page 1

be offered several courses in business and government for the first time in the history of the college. Political science courses that have been offered in the old department of history and political science have been shifted to the new department. Additional courses in public administration and state and local government have been added to last year's regular courses in government.

Courses in business to be offered will include personnel management, administration, taxation, business law, and business organization and finance.

Instructors for government in the new department are Dr. Jenkins and Dr. Hugh Thompson. Business instructors will include Jerry Parker, Robert White, and Robert Ashby.
